

## Beecroft Primary School PE and Sports Premium Funding 2018 -19

### Overview

Total PE and Sports Premium Funding 2018-19 = £16, 153

<u>DETAIL</u>	<u>COST</u>
Specialist PE Coaching for Curriculum enhancement (PE Partner)	£7100
PE PARTNER Extra Curricular Sports Clubs	£2295
PE Partner Dinner Time Clubs	£2295
Active Schools Membership	£1000
Extra Swimming in Curriculum time for Y4	£2783
PE planning Hub	£680
Equipment	£100* Equipment and travel continues to be topped up from school fund/budget

### **Overview**

In light of the advice from AfPE, YST and Active Schools Leeds that the PE and Sport Premium funding is highly unlikely to be renewed after the academic year 2019/20, the main aim of the spend over the next 3 academic years will be sustainability. As a school we will aim to ensure that all spending leads to sustainable, long term advantages across both PE and School Sport.

### **After-school and PE sports provision from PE partner**

By spending some of the premium on specialist coaches, we can ensure that there are a wide variety of clubs available to children. PE Partner sports coaching provide girls' football, multi-sports, fitness sessions and rugby across KS2 in the form of both Lunchtime and After School Clubs. This will ensure that participation rates across all year groups are maintained or increased. \*All Staff of Beecroft Continue to provide extra-curricular clubs free of charge.

### **New equipment**

The purchase of new equipment will mean that we can replace old or broken equipment. This will ensure that we can continue to provide high quality, safe and engaging PE and Sport in curriculum time, at break and lunchtime, as well as after school. The purchase of specific Sportshall Athletics equipment will also ensure that we can allow all children the opportunity to try out these activities, rather than just the children selected to compete in inter-school competitions.

### **CPD**

Allocating money from the PE and Sports Premium budget to CPD will allow the school to upskill staff, therefore increasing the quality of provision in PE and School Sport. This will allow the increase in provision to be sustainable as once staff are trained this stays with those members of staff for their careers. Priorities for this year are to send Year 4 staff on swimming and water safety training, to run whole staff training on PE schemes of work. Staff in Y1 – 4 will

also be using PE partner coaching sessions as time to observe and reflect on good PE practice. A total of £11,700 has been spent on PE Partner in order to improve PE and extra-curricular opportunities.

### **Travel**

In order to increase the competition opportunity for all year groups, we continue to use School Fund to pay for minibuses with Health For All. This means that we will be able to travel to competitions further afield and where parental transport may be unavailable. The priorities for this year is to increase competition opportunity for KS1 and LKS2.

### **Active Schools SLA's**

This will give us access to specific blocks of sports coaching through the Leeds Rhinos Foundation and by accessing Active Schools competitions, thus increasing the provision of competition, quality PE and CPD for staff. It will also ensure we can gain access to specialist support and advice when needed.

### **Inter-Competition coaching provision**

We continue to be involved in competitive sports fixtures with Y5/6 u11/u10s football – Mr Campbell, Y3/4 U9s Football - Mr Watson. Rugby team was run by Mr Clegg in 2017-18 but as he has left the school will now be coached by PE Partner and fixtures/games arranged by Mr Campbell and Miss Pinder. Miss Pinder continues to work with Virgin Active club training new leaders in Key Stage 2; these children plan and lead playground activities and have even run sports' activities for our own After School Club children.

### **Health and Well Being Day/ Sports Weeks**

This will help to provide children with a taste of different activities and promote healthy, active lifestyles. We arranged a range of activities from sports to First Aid, to healthy eating, including a talk from Health for All on Mental Wellbeing along with Intra-sports competitions.

### **AfPE planning tool**

By subscribing to The PE Hub, teachers will have access to high quality, easy to adapt planning which links to the National Curriculum 2014. This will increase the quality of PE being taught across the school.

## The Impact of Sports Premium 2017-18

### **School Sport**

**Objective 1 : To ensure club participation rates are maintained or improved.**

**Met** Partially met Not met

#### **Actions**

1. Input data onto tracking system showing the number of sports clubs each child has attended.
2. Look at participation rates every term to focus on specific children.
3. Ask children what clubs they would like to be on offer.
4. Speak to external club providers (PE Partner)

Year	<u>2016-17</u>	<u>2017-18</u>	<u>2018-19</u>
1	18	23	<b>17</b>
2	27	25	<b>27</b>
3	15	18	<b>22</b>
4	15	21	<b>20</b>
5	23	27	<b>24</b>
6	21	20	<b>22</b>

\*Please note that staffing changes have meant different numbers of sports clubs available to different year groups at different times. This year we have only one sports club at present in KS1, which is Dance. However we will be looking to increase this number as the year goes on.

Another important note is that our extra-curricular clubs are not all sports based. Currently on offer are:

	Key Stage 2	Key Stage 1
Monday	<ul style="list-style-type: none"><li>• Y5/6 Football - Mr Campbell</li><li>• KS2 Girls' Football PE Partner</li><li>• KS2 Dance Club – Miss Walker</li><li>• Virgin Active Club – Miss Pinder (Lunch Time)</li></ul>	Drawing Club – Miss Halliday Origami Club – Mrs Walker Puzzle Club – Miss Smyth
Tuesday	<ul style="list-style-type: none"><li>• KS2 Drama Club – Miss Turner</li><li>• Y5/6 RUGBY – PE Partner</li><li>• Y3/4 Football Mr Watson</li></ul>	Lunch Time Games – PE Partner
Wednesday	<ul style="list-style-type: none"><li>• KS2 First Aid Club – Mrs Hoyle (split termly due to high demand)</li></ul>	

Thursday	<ul style="list-style-type: none"> <li>• Netball Club – Miss Stuart</li> <li>• Y3/4 Rugby – Pe Partner</li> <li>• Choir</li> </ul>	Lunch Time Games – PE Partner  Dance Club – Miss Daniel
----------	--	---

Number of clubs attended	Percentage of children 2016-17	Percentage of children 2017-18	Percentage of children 2018-19	
1 club +	87%	92.3%	94%	

**Objective 2: To ensure competition opportunities are available for all KS2 year groups.**

Met **Partially met** Not Met

**Actions**

- Sign Active Schools SLA - £1000
- Meet with School Games organiser
- Reply to emails about competition opportunities
- Speak to other schools about playing games against each other
- Track children taking part in competition

Percentage of young people involved in Intra / Level 1 competition	2017/18
Year 3	100%
Year 4	100%
Year 5	100%
Year 6	100%
Total School Average	100%

- Introducing Health and Wellbeing Week once a term has helped us to increase the amount of intra school competition across all year groups
- On top of their normal PE sessions and additional swimming in Year 3 we have also introduced the Daily Mile across the school. This will be monitored after term 1 to see if it has made a positive impact.

Percentage of young people involved in Inter / Level 2 competition	2017/18
Year 3	18% (7)

Year 4	42% (12)
Year 5	58% (19)
Year 6	65% (17)
Total School Average	46%

We would like these figures to increase again this year and have entered:

- U11 Boys football league
- U10 Boys Football League
- U9 Boys Football League
- U11 Girls Football League
- U11 Rugby (Watson Trophy, Burton Trophy and Culley 7s)
- Brownlee Triathlon KS2 Y5

#### **Next steps**

- Improve level 2 opportunities for LKS2 by forging links with local schools.
- Liaise with New Area Sports Organiser.
- Build on the success of this years' KS2 competition entries.
- Raise the profile of intra-team sport by ensuring that all year groups are participating in intra-team competition on a termly basis – Health and Wellbeing Weeks
- Raise whole school average to 60%+ including Key Stage 1
- Monitor the impact of the Daily Mile
