Active Schools Membership	£1000
Staff Training	£100
Equipment	£400* Equipment and travel continues to be topped up from school fund/budget E.g. Girls' football team strip purchased at £800

**Overview**

As a school we aim to ensure that all spending leads to sustainable, long term advantages across both PE and School Sport. The funding has been used to provide quality curriculum PE across both Key Stages using expert coaching and maximize the number of extra-curricular sports opportunities.

**After-school and PE sports provision from PE Partner**

By spending some of the premium on specialist coaches, we can ensure that there are a wide variety of clubs available to children. PE Partner sports coaching provide girls' football, multi-sports, fitness sessions and rugby across KS2 in the form of both Lunchtime and After School Clubs. This will ensure that participation rates across all year groups are maintained or increased. **\*All staff of Beecroft continue to provide extra-curricular clubs free of charge (see below).**

Monday	<ul style="list-style-type: none"> <li>• <b>Y5/6 Football – Mr. Campbell</b></li> <li>• <b>KS2 Girls Football – Mr. Watson</b></li> <li>• Gardening Club – Miss Nokes</li> </ul>
Tuesday	<ul style="list-style-type: none"> <li>• Drama – Miss Turner /Miss Pinder</li> <li>• <b>KS2 Rugby – PE PARTNER</b></li> </ul>
Wednesday	<ul style="list-style-type: none"> <li>• <b>First Aid – Mrs. Hoyle</b></li> </ul>
Thursday	<ul style="list-style-type: none"> <li>• <b>Y3/4 Football – Mr. Smith</b></li> <li>• Key Stage 2 – Comic Club – Miss Smith</li> <li>• Y6 Chess Club – Chess 4 Schools</li> <li>• <b>Dance Club - Miss Walker</b></li> </ul>

	<ul style="list-style-type: none"> <li>• <b>Netball – Miss Stuart</b></li> <li>• <b>KS2 Multi-Sport and Fitness Club – PE Partner</b></li> </ul>

### **New Playground/Outdoor Area**

The school have also spent an additional £65000 to utilize the land on the embankment as an outdoor adventure area. This includes various climbing frames, fitness and outdoor adventure equipment, along with a nature trail. Children will be able to use this area weekly in timetabled slots (and some playtimes) further adding to their daily exercise, along with times after school. In PE it will be used for certain aspects of fitness and orienteering.

### **New equipment**

The purchase of new equipment will mean that we can replace old or broken equipment. This will ensure that we can continue to provide high quality, safe and engaging PE and Sport in curriculum time, at break and lunchtime, as well as after school. This has included the purchase of specific Sportshall Athletics equipment, which will also ensure that we can allow all children the opportunity to try out these activities, rather than just the children selected to compete in inter-school competitions. The new football nets and balls have proved extremely popular with children now being able to use the field every dinnertime, led by Mr. Sadler.

### **Training**

Allocating money from the PE and Sports Premium budget to CPD will allow the school to upskill staff, therefore increasing the quality of provision in PE and School Sport. Y3 Teacher, Miss Walker has been on Dance training to raise the profile of dance. She will be using this training to teach Dance in the curriculum and her specialist after – school club. Staff in Y1 – 4 will also be using PE partner coaching sessions as time to observe and reflect on good PE practice. A total of £11,000 has been spent on PE Partner in order to improve PE and extra-curricular opportunities.

### **Travel**

In order to increase the competition opportunity for all year groups, we continue to use School Fund to pay for minibuses with Health For All. This means that we will be able to travel to competitions further afield and where parental transport may be unavailable. The priorities for this year is to increase competition opportunity for KS1 and LKS2.

### **Active Schools SLA's**

This will give us access to specific blocks of sports coaching through the Leeds Rhinos Foundation and by accessing Active Schools competitions, thus increasing the provision of competition, quality PE and CPD for staff. It will also ensure we can gain access to specialist support and advice when needed.

**Inter-Competition coaching provision**

We continue to be involved in competitive sports fixtures with Y5/6 u11/u10s football – Mr. Campbell. Y3/4 U9s Football with Mr. Smith. Mr. Watson will now take on the coaching of the girls' football team where we had a total of 27 girls take part in competitive matches last year, led by Mr. Campbell. Our Rugby team will now be coached by PE Partner and fixtures/games arranged by Mr. Campbell and Miss Pinder. Miss Stuart continues to lead Netball for Y4-6. 36 children in Year 5 successfully took part in the Brownlee Triathlon and we will continue to enter our pupils again this year.

**Health and Well Being Day/ Sports Weeks**

Half termly wellbeing days help to provide children with a taste of different activities and promote healthy, active lifestyles. We arranged a range of activities from sports to First Aid, to healthy eating, including a talk from Health for All on Mental Wellbeing along with Intra-sports competitions. These days have been extremely popular with both children and parents; they will continue this academic year.
